In this way, we are pleased to be able to reinforce to you the value of the true partnership that exists between our organization and our member schools. New Website – Our new website is almost ready for launch after months of study and testing to make it more efficient and user-friendly. We hope you enjoy the new features and increased functionality and encourage you to visit our new website often to get more familiar with it. Professional Development for Athletic Directors/Athletic Administrators – The MVP AD Certification Program will provide professional growth opportunities for our Athletic Directors and Athletic Administrators. Through Eligibility Workshops, the Athletic Administrator Summit, MVP AD Exam, etc., we hope to increase their knowledge and assist them in being more effective educational leaders. Check our website for more information on this program. Also, the CIF Southern Section Athletic Administrator Summit will take place on Monday, October 19 at the Sheraton Fairplex Hotel and Conference Center in Pomona. 4. NON-ACTION ITEMS

A. STATE FEDERATED COUNCIL NON-ACTION ITEMS

1. Proposal Recommendation Change to Bylaws 1606, 2401, 2902, 2903 - Commissioner Wigod explained that this State Office pilot would impact Basketball, Soccer and Volleyball in the CIF Southern Regional Playoffs. The language in the proposal mandates the use of a competitive based model to determine entries in the Southern Regional tournaments rather than using the current enrollment based model for entries into the Regional and State championship tournaments.

B. SOUTHERN SECTION NON-ACTION ITEMS

1. Proposal Recommendation Change to Bylaw 1607 - Matt Maeda from the San Andreas League addressed the Council to further explain the intent behind the proposal to enable to ability to have a running clock for the sport of basketball prior to the fourth quarter. Currently, running clocks are allowed in the fourth quarter if mutually agreed upon by both coaches.

2. Proposal Recommendation Change to Bylaw 2502 - Jill Matyuch and Margaret Neill spoke with the Council on behalf of the Softball Committee to suggest changing the word "required" to "recommended" that adult base coaches wear a protective helmet while coaching the bases on the field.

5. REPORT SESSION

A. President's Report - Reggie Thompkins - Mr. Thompkins expressed his gratitude for the Council's participation in the legislation process. Being able to represent the Southern Section at the Section and State level has been a great experience and the support of the Council members has been greatly appreciated. Roger Blake, Rob Wigod and Corona Unified School District have all been incredibly supportive this year for Mr. Thompkins and he is humbled by the opportunity to serve the Section.

B. Treasurer's Report - Jeff Jordan - Mr. Jordan informed the Council that the Southern Section is in a great fiscal position right now showing a net increase of over 1 million dollars. The Southern Section is projecting to finish the year with a healthy surplus; a portion of that surplus will be given back to the member schools

through revenue sharing distribution.

C. Commissioner's Report - Rob Wigod - Commissioner Wigod shared his appreciation for Reggie Thompkins serving as the President of the State and Section. He also shared his appreciation for the Administrative Assistants and Assistant Commissioners with a special recognition of Sharon Hodge (new Executive Administrative Assistant) and Kristine Trost (Rainer Wulf's Assistant) and Erin Crenshaw (new Receptionist). Jim Perry was invited to update the Council on the progress made from the latest Public/Private Committee. He alluded to the shift in the culture from a discussion about public and private schools to a more focused discussion on competitive equity within our Section. Mr. Perry provided a report from one of the CSADA breakout sessions; there was a statewide discussion to address the concept of competitive equity throughout the state. There was a continued emphasis on the notion that the proposed model will work, but will take some time to see the Power Rankings approach to come to fruition. Mr. Perry implored the Council to be patient throughout the process in order to allow it to work for the benefit of the Section. Commissioner Wigod discussed the Power Rankings information and explained the importance of all schools entering complete and accurate data into CIFSSHome. The Winter sports reports will be done by the end of the school year, Spring sports reports will be available by September, 2015. In order for the proposal to move forward, there will need to be a First Read in October in order to take effect for the 16-17 school year. This information has been provided to some of the sport advisory committees and was handed out at CSADA for discussion and review. Leagues will still have guaranteed entries; the distribution of those entries is what will change with this new system based on divisional breakdowns for each sport. Lastly, the Commissioner expressed his gratitude for the compliance of our member schools utilizing the CIFSSHome system and working with us as we continue to work out the kinks in the system to address the needs in our Section. He reminded the Council that the Champions for Character nominations were due by May 1 and the office is still soliciting foursomes for

the C4C Golf Tournament on June 23rd. He informed the Council that the Athletic Administrator Summit would be held on Monday, October 19, 2015 and Fall Eligibility Workshops would start up again in August as administrators return to school to prepare for the new academic year.

Groupings – Power rankings for all affected sports from the 2014-15 school year were distributed to you last month for your review. The next step in this process will be for the CIF Southern Section

Council to begin considering a proposal to implement this concept at their first meeting of the year on October 6. More details to come.

Potential Season of Sport Calendar Changes for 2016-17 – We are currently surveying our schools to determine their start dates and end dates for the 2015-16 and 2016-17 school years. Once we have compiled this data, we will begin working with our Sport Advisory Committees to determine whether our seasons of sport calendars should be adjusted for the 2016-17 school year. Please respond to the survey immediately as the deadline for submissions is Friday, August 21.

Return to Play Protocols – Valuable information regarding new CIF Bylaws related to Return to Play Protocols is now available in a powerpoint presentation posted on our website. I invite all

administrators, coaches, student-athletes and parents to view this presentation in an effort to help raise awareness of these important safety precautions that are now in place.

These are just a few of the many new and exciting things happening this upcoming school year. I hope you are as energized as we are to get it all started. I thank you very much for your continued help and support and wish you good luck always.

2. PUBLIC HEARING SESSION

A. Recognition of anyone wishing to address the Executive Committee. Speakers must limit their remarks to three minutes. There was no one present to address the Executive Committee.

3. ACTION ITEMS

A. STATE FEDERATED COUNCIL ACTION ITEMS

1. Proposed CIF State Budget 2015-2016 - Carter Paysinger reviewed State budget with 2% decrease. There was a motion and second to approve the State budget.

2. CIF State Executive Committee Nominations - Carter Paysinger reviewed nominations - There was a motion and second to support Jim Monico for Southern Section Representative and to go unopposed for all others.

3. Proposed State Girls Volleyball Tournament Revisions - Carter Paysinger reviewed proposal - There was a motion and second to approve. Brandi Stuart reminded the Executive Committee of the discussions at their last meeting and brought forward the recommendation from the Volleyball Advisory Committee. The Volleyball Advisory Committee supports keeping divisions as they are and create an Open Division due to concerns with extending the season.

B. SOUTHERN SECTION RECOMMENDED ITEMS

1. Proposal Recommendation for Regional Wrestling Tournament Officials - Reggie Thompkins reviewed proposal - There was a motion and second to approve the proposal. There was no discussion.

2. Proposal Recommendation Change to Bylaws 1503.2 & 1505 - Reggie Thompkins reviewed proposal - There was a motion and second to approve - Chris Calderwood's area has concerns with the maximum number of games allowed by the new proposal. Rob Wigod discussed how many possible teams could get to 30 or even 31 games under the current bylaw. Glenn Martinez said that baseball is the only sport to go three rounds in league and that the third tournament is usually a league tournament.

3. Proposal Recommendation Change to Bylaws 1903, 1918 & 1921.3 - Reggie Thompkins reviewed proposal - There was a motion and second to approve - Chris Calderwood reiterated that with this proposal teams would be able to come back three days earlier to do conditioning.

a. Football Advisory Committee Amendment to SS511 - Reggie Thompkins reviewed the proposal - There was a motion and second to approve - Reggie Thompkins started discussion with stating the movement of the start dates and Rob Wigod added that it is moving up the date by a week with day four still the beginning of full contact practice. It also incorporates the 18 hour rule and number of full contact minutes allowed each week. Glenn Martinez further explained the new dates came with not only another week of practice, but going back to the old school way with the inclusion of three days of conditioning. Chris Calderwood stated that this allows two more days of contact before a scrimmage. Jim Monico's issue is that consideration should be technique over contact and that time management is necessary. Jim Perry voiced concerns from coaches in areas where there is very little contact football versus areas of very high contact football. This proposal adds two more days of contact and six more days of non-contact practices. Carter Paysinger brought up the length of season (early August to mid-December) for a football season. Terrence Barnum thought this gives our schools the flexibility they need. Glenn Martinez laid out the first week under old proposal that would allow starting the earlier week anyway.

4. Proposal Recommendation Change to Bylaw 2003 - Reggie Thompkins reviewed the proposal - There was a motion and second to approve. There was no discussion.

5. Proposal Recommendation Change to Bylaw 600 - Reggie Thompkins reviewed the proposal - There was a motion and second to approve - Monica Colunga clarified that a school played a sand volleyball charity tournament that did not fit under the current rule and this proposal wants to make sand volleyball similar to the difference between soccer and futsal. Chris Calderwood's concern is that if sand volleyball is legalized, it puts students in a bind as to which sport to play. It was also brought up by several people, is basketball a different game if it is played on asphalt, grass, concrete, etc.?

6. Proposal Recommendation Change to Bylaw 2911 - Brandi Stuart reviewed the proposal - There was a motion and second to approve. There was no discussion.

7. CIF Southern Section Executive Committee Nominations - Reggie reviewed nominations - There was a motion and second to move names forward. There was no discussion. Recommend to move names forward to the CIF Southern Section Council. Rob Wigod discussed the procedure for voting at the April 29, 2015

CIF Southern Section Council meeting.

8. Proposed CIF Southern Section Budget 2015-2016 - Mitch Carly distributed an updated budget - Reviewed the handout with the Committee. Reggie Thompkins said excellent work on Mitch's behalf. There was a motion and second to approve.

4. NON-ACTION ITEMS

A. STATE FEDERATED COUNCIL NON-ACTION ITEMS

1. Proposal Recommendation Change to Bylaws 1606, 2401, 2902, 2903 - Carter Paysinger reviewed the proposal - Rob Wigod explained the differences between the Sections as it related to sending teams to State Championships. Some use competitive equity and some use enrollment. This proposal is trying to get all the sections in the state on the same level. Rainer Wulf explained that the only change for basketball would be the ability to fill our 44 or maybe 45 entries we already have in order of competitive equity. Rob Wigod stated this is going into effect for the Southern California Sections for the 15-16 school year.

B. SOUTHERN SECTION NON-ACTION ITEMS

1. Proposal Recommendation Change to Bylaw 1607 - Reggie Thompkins reviewed the proposal - This is a change in the basketball mercy rule asking to start the running clock earlier by mutual consent of both teams. Rainer Wulf stated once you go to the running clock, it runs the rest of the game.

2. Proposal Recommendation Change to Bylaw 2502 - Brandi Stuart reviewed the proposal - Brandi Stuart explained the change in language from required to recommended, since baseball and softball are different sports.

5. NEW BUSINESS

A. Financial Report - Mitch Carly - Mitch Carly handed out an updated budget. The Southern Section is having a good year so far. Mitch Carly stated that there is currently a large surplus but that number will shrink after Spring Championships. Mitch Carly will provide a further update at the Executive Committee Meeting on May 13.

B. Football Contact Information - Glenn Martinez - Glenn Martinez explained how AB 2127 had two components - Bylaw 1901 - the 90 minute contact limit and return to play protocols for concussions. Information on the guidelines for full contact were sent to our member schools today through the CIFSSHome system.

C. Concussions: Return to Play Protocols - Glenn Martinez - Glenn Martinez reviewed AB 2127 - return to play protocol. Best practices in concussion protocols were sent to our schools through the CIFSSHome system today and also posted on our website.

GREAT OAK AND SOUTH TORRANCE CLAIM TITLES IN 24TH ANNUAL COMMISSIONER'S CUP

The CIF Southern Section is pleased to announce the top ten girls and boys athletic programs in the 24th Annual Commissioner's Cup.

On the girl's side, South Torrance took top honors by scoring 15 points in the manner of three championship trophies. The Spartans finished the year with a champion title in the sports of basketball, volleyball, and tennis. This is the schools' first ever Commissioner's Cup title. The Spartans edged out the Panthers (by virtue of tie-breaker rules) who also had 15 points and the Eagles who finished two pointsback.

South Torrance's second place finish due to the tie breaker consisted of 15 points credited to championships in water polo, tennis, and swimming and diving. It is an honorable representation of both school's work ethic to have each won championships in three sports.

Taking third place was Santa Margarita. The Eagles claimed titles in track and field, and swimming and diving and got a runner-up finish basketball. Mater Dei finishes up the Top-4 with a championship in cross country and 12 total points. The Monarchs accumu-

lated two runner-up trophies in volleyball and basketball, as well as a fourth-place finish in golf.

On the boy's side, Great Oak also claimed their first Commissioner Cup title in the school's history with 17 points. The Wolfpack did so by winning one championship, two runner-up trophies, and three semifinal appearances. Great Oak's only championship came from their title in Golf. Great Oak finished as runner-ups in basketball and track and field. Their semifinal appearances were made in 11-man football, tennis, and cross country.

Laguna Beach finished just behind the Wolfpack falling two points short of the Cup with 15 points. The Breakers won championships in water polo and swimming and diving, while adding a runner-up placing in tennis. They also added a semifinal appearance in volleyball. Rounding out the Top-3 by virtue of tie-breaker was Servite who also claimed 15 points with championships in soccer, wrestling, and golf.

The CIF-SS developed this recognition program based upon comprehensive excellence in interscholastic competition. The

purpose of this program is to enhance the spirit of competition, (Cont.): sportsmanship, and goodwill among the student athletes and member schools.

The winners are determined by a point system that provides: five points for a divisional championship; three points for a divisional runner-up finish; two points for advancing to the semifinal round or a third place finish in a team-place finish sport (i.e. cross country, golf, swimming and diving, track and field); and one point for a fourth place finish in a team-place finish sport. In cases where a tie occurs the top ten schools were determined by several tie-breaker methods.

"We at the CIF-SS are very proud of these outstanding programs for their hard work and dedication that has resulted in success on the field and courts," said Rob Wigod, Commissioner of Athletics. "Their determination and teamwork has resulted experiences that will last them a lifetime."

Record holders in their respective genders Loyola on the boys side with seven and Corona del Mar on the girls side with five.
