The group of teams listed above reflect the top 27 water polo programs in the CIF Southern Section based on power rankings calculated for this year's playoff groupings. Throughout the course of the 2017 Fall season, results will be collected. Similar to CIF-SS Basketball, a "Watch List" will be established. The top 20 teams from this group will be published with the polls (the top 10 of those 20 representing the Division 1 "Watch List"). Using power rankings AND committee determination, the top 8 teams will be designated as the CIFSS Playoff Division 1, with the remaining 19 teams comprising the CIF-SS Division 2. Divisions 1 and 2 will be finalized during the last seeding meeting on October 27, 2017.
